

Job Description:

Great Texas Compression is a fast growing natural gas compression company in the oil and gas service business focusing mainly in South Texas. We are looking for highly motivated mechanics having 1-2 years minimum experience to join our team.

Our areas of need are found in both the Cotulla/Dilley/Carrizo Springs area and Corpus Christi/George West/Kingsville area. A service truck will be provided and the area of coverage will be within a 100 mile radius of his home base.

Primary Responsibilities, Requirements and Benefits:

- Provide preventive maintenance and corrective field mechanical services on natural gas compressors.
- Knowledge of electrical systems.
- Represents Company in a professional manner at all times.
- Minimum of one or more years as a gas compressor mechanic with prior experience working with engines, gas compressors and/ or production equipment.
- Have a valid driver's license.
- Standard drug testing prior to hiring.
- Bonus after 90 days of employment.
- 10 paid Holidays per year
- 2 weeks paid vacation per year
- Company pays 75% of plan for employee and family
- Fully vested company matching plan
